

Northern Rental Kart League
NRKL Round 5, Sunday August 27th 2023
Final Instructions

1. Circuit Details

This round is being held at Karting North East, Warden Law, the postcode for the venue is SR3 2PR

All competitors should arrive at the circuit for **15:15** this will allow your races to start at 16:00

All sessions will be taking place on the International Circuit.

2. Event Format

This event will use the sprint format and will consist of the following:

10 minute qualifying
20 minute pre-final
20 minute final

Drivers will be split into 2 groups with Featherweights and Lightweights in group 1, and Heavyweights in group 2. To allow groups to be identified on circuit, Featherweight & Lightweight drivers will be issued coloured arm bands.

3. Event Specifics

3.1. Event Sign on

There is no pre-event sign on for this event, sign on will take place on arrival at the venue. Please report to reception to do this.

3.2. This round is the second and final round of the North East trophy. At the end of racing, the series points will be calculated and the championship presentation will take place. We ask as many drivers to stick around for the presentation to celebrate our champions.

4. Circuit Specifics

4.1. Race Equipment

- 4.1.1. The circuit can supply all race kit, however competitors are advised to bring their own. There is a high chance that the event will be held in the rain, so a wetsuit is advised if you have one.
- 4.1.2. The host circuit does have some seat inserts available to use. It is recommended that you bring your own, especially if you require one to make the minimum weight.
- 4.1.3. The host circuit has made an exception to its usual rules regarding weighted seats, these can only be used during our event. Any drivers trying to use their weights for practice during open sessions will not be allowed to.

4.2. Onboard Cameras

KNE does not allow the use of helmet mounted cameras or body mounted cameras, no cameras may be fitted to karts.

4.3. Live Timing

We have had it confirmed by the circuit that they don't offer a live timing link for hire kart events.

5. Weight

Drivers are reminded that it is their responsibility to meet the minimum weight for the class they have entered, NRKL will not be providing any weights at this event. This can be done by the use of a weighted seat insert or body weights, there is no option to fix weights directly to the karts. It is highly recommended to not fit any weights to your chest or wrists.

There is no tolerance for being underweight. E.g. a heavyweight that weighs in at 94.99kg will be considered underweight.

All drivers will be required to weigh in before going out on track for practice. Drivers will then be weighed at the end of every race to ensure compliance.

6. Licence endorsements

The full list of current licence endorsements can be found in appendix 3. Drivers are reminded about driving standards at the start of races.
