

Northern Rental Kart League
NRKL Round 8, Saturday November 25th 2023
Final Instructions

1. Circuit Details

This round is being held at PF International, Grantham

The postcode for this venue is NG32 21Y

All competitors should arrive at the circuit at **14:30**. This will allow us to begin racing on time at 15:30

2. Event Format

This event will feature a practice session, 3 heats and a final.

All practice sessions will be 10 minutes.

All heats will be 10 minutes

All finals will be 15 minutes.

3. Event Specifics

3.1. Pre event sign on

Sign on will take place in person at the circuit. Please report to reception upon arrival to sign on.

3.2. Classes on track

For this round, classes will be mixed during the heats, with all classes having separate finals.

3.3. Class bands

To aid with identification, all drivers in featherweights will be issued with a pink arm band & all drivers in the lightweights will be issued with a blue arm band. This is to aid with identification of classes while on track.

3.4. Champions Podium

At the end of the event, we will present the championship awards for 2023. We ask that as many people as possible stay to support our champions.

4. Circuit Specifics

4.1. Race Equipment

The circuit can supply all race kit, however competitors are advised to bring their own. There is a high chance that the event will be held in the rain, so a wetsuit is advised if you have one.

4.2. The host circuit does have some seat inserts available to use. It is recommended that you bring your own, especially if you require one to make the minimum weight.

4.3. Onboard Cameras

PF International does allow helmet mounted Go Pros. Please be aware that the final say on whether a camera is safe to use remains with the host circuit.

5. Weight

Drivers are reminded that it is their responsibility to meet the minimum weight for the class they have entered, NRKL will not be providing any weights at this event. This can be done by the use of a weighted seat insert or body weights, there is no option to fix weights directly to the karts. It is highly recommended to not fit any weights to your chest or wrists.

There is no tolerance for being underweight. E.g. a heavyweight that weighs in at 94.99kg will be considered underweight.

All drivers will be required to weigh in before going out on track for practice. Drivers will then be weighed at the end of every race to ensure compliance.

6. Licence endorsements

The full list of current licence endorsements can be found in appendix 3. Drivers are reminded about driving standards at the start of races.

7. Championship Standings

The current championship standings are attached below as appendix 1

8. Grids

8.1. Heat Grids

The grids for each heat will be attached to this document. Please be familiar with the grids and where you are starting for each session, this will allow the event to flow smoother.

8.2. Final Grids

The grids for the finals will be worked out manually, using class positions. E.g if a lightweight finishes 1st in class but 10th on track, they will score points for 1st. Points are allocated as follows 0-2-3-4-5 etc. ties will be separated by fastest laps.
