

## NRKL Southern Fly Away - Sprint R5 & Juniors R3

### 1- Event Details

This event is to be held at Red Lodge Circuit. The address for the venue is: Link Road, Red Lodge Bypass, Bury Saint Edmunds IP28 8LE.

All junior drivers are asked to arrive at the venue by 10:45.

All Senior drivers are asked to arrive at the venue for 12:45

Should a driver arrive late, they will not be permitted to take part in the event.

### 2- Event Format

#### 2.1 - Session Lengths

The event will see each driver complete a practice session, 3 heats and a final.

All practice sessions will be 10 minutes long

All heats will be 10 minutes long

All Finals will be 15 minutes long

An NRKL event runs to a tight schedule, so drivers are asked to be ready for their session and present at the pitlane gate with 2 minutes of the previous session on circuit.

#### 2.2 - Running Order

The event will run in the following order:

Junior Practice, Heats & Final

Practice & Heat 1 for all senior classes

Heat 2 for all senior classes

Heat 3 for all senior classes

All Finals for Senior classes.

### 3- Event Specifics

#### 3.1 - Pre Event Sign on

All drivers will need to check in to the event before arriving. The link is the same for all drivers.

#### 3.2 - Driver's briefing

All drivers must attend a mandatory drivers briefing, prior to taking to the circuit.

Failure to attend may result in those drivers being unable to race. The drivers briefing will take place in the driver's briefing room in the clubhouse. Please note, there will be separate briefings for juniors and sprint drivers.

### 3.3 - Race Start Procedure

All races will use a standing start format. Karts will be released directly from the pitlane, completing a short lap before being lined up on the grid. Please ensure you follow the marshal's instructions

### 3.4 - Driver of the Day Award

Thanks to the generosity of Gary at Karting Armchair Experts, we are now awarding the 'KAE Driver of the Day' award to each class. This will be presented to one driver in each class as part of the podium proceedings, as chosen by the host circuit on the day.

### 3.4 - WhatsApp Race Control

For this event, we will continue trialling a 'race control' system using WhatsApp Communities. This will allow us to communicate kart allocations, final grids, results & penalties to all competitors. For the purpose of the trial, only drivers may join the groups.

All drivers are asked to join the WhatsApp community & associated groups via the link below:

## 4- Circuit Specifics

### 4.1 - Race Equipment

Should any competitor require race equipment, this can be supplied by the circuit. Please note that the venue has a limited amount of seat inserts. Should a competition require one of these, it is advised to make your own arrangements to use one.

### 4.2 - Onboard Cameras

Red Lodge does not allow helmet or kart mounted cameras.

## 5- Weight & Weight Checks (Sprint only)

### 5.1 - Eligibility

Drivers are reminded that it is their responsibility to ensure that they are above the minimum weight for their class at all times during the event.

### 5.2 - Artificial Ballast

While artificial ballast is allowed at all NRKL events, the race director/circuit manager will have the final say on whether a competitor's ballast is safe to use. Competitors are reminded that the NRKL does not provide ballast, and that it is the driver's responsibility to ensure they meet the minimum weight.

## **5.4 - Weight checks during the event**

5.4.1 All drivers must present themselves for weigh in prior to taking part in any official session, including practice.

5.4.2 Random weight checks will take place during the event. As a minimum, the following drivers will be required to present themselves for weigh in at the end of each heat: Top 5 on circuit, 10 further drivers selected at random. Wherever possible, the whole grid will be weighed at the end of each heat.

5.4.3 Following the conclusion of any final, all drivers must report for weigh in.

## **6- Grids**

### **5.1 - Heats**

The grids for each heat will be as listed in the attached grid sheet.

### **5.2 - Finals**

The grids for the finals will be decided by the points scored over the heats. These are scored as follows 0-2-3-4-5-6-7... etc. Ties will be resolved by a driver's fastest lap in the heats.

### **5.3 - No-Shows**

Should a driver fail to show for a race, all drivers will move up a place on the grid to compensate for this.
